

April 2012

Earth Day

20th. Please join us at the school at 12:00 pm for a fun filled day. Donations or plants are accepted as the classrooms will be planting flowers or trees.

Imagine a world without trees. What if the rain forests, and all of the exotic plants and colorful animals that call it home, suddenly did not exist? In 1962, Graylord Nelson decided something needed to be done to protect the environment. The work that he began lead to what we now know as Earth Day. Columbus Charter will celebrate Earth Day on April
